

AFTER SCHOOL DETENTION POLICY

After School Detention of 1 hour duration will continue to be implemented this scholastic year. The system will be evaluated yearly and adjusted accordingly. General consensus has been reached on the following criteria:

- After School Detention will be issued according to the current Behaviour Structure;
- Two teachers at a time will be present;
- LSA's are exempted unless absolutely necessary;
- **Time off in lieu will be assigned to the teachers involved at the rate of one hour 30 minutes for every one hour of detention carried out;**
- A maximum of 10 students will be assigned an after school at any one time;
- If a student misses an after school detention due to being sick on the day, he/she will take the detention at the first possible instance;
- If a student does not turn up for after school detention when present at school on the day, the detention is doubled.
- Room 502 (Administration Block) will be used for after school detention;
- After school detention is to be held once weekly from 14.46 to 15.45;
- After school detention will run from mid-October to end of May;
- This will take place on Tuesday during Week 1, on Wednesday during Week 2 and on Thursday during Week 3, following which the rotation is restarted;
- Teachers will be asked to write down their name against one day of their choice;
- If on the day no after school detention is needed, teachers assigned to that day will automatically move towards the end of the list.
