

### ***It's never too early to get organised...***

Preparing for exams is far from a walk in the park. So to help make the process as simple and stress-free as possible, the [Youth Guarantee](#) team has put together a **set of fun and tailored materials** just for you!

Visit our [YouTube channel](#) and join Daniel as he follows some practical exam preparation tips and gains self-confidence along the road to the day of his exams!

You can also [download your own survival guide](#).

**BEFORE THE EXAM ITSELF,  
REMINDE YOUR CHILD TO:**

Take time to slow their breathing and relax when they first sit down in the exam room.

**Skim over the exam paper**, underlining key words and instructions.

Work out how much time they have for each question or section.

Watch out for the wording of the questions, and understand what the question is really asking.

Answer the questions they find **easiest first** to build their confidence, then as they relax more move on to more difficult ones.

Keep an eye on the clock to ensure they have enough time to answer the more difficult questions.

We understand that this period might also be challenging and stressful for parents/guardians, so we've prepared [a guide for them too!](#)

## ***Attention: Free SEC Revision Classes 2019***

Offered over five weeks (July - August) the **Free SEC Revision Classes** are a valuable opportunity for students who have failed their May exams to prepare for their resits in September.

[Register your interest](#) and be the first to receive updates about the application period.

### **Kindly note:**

- The online application will *open soon after MATSEC publish the May SEC exam results*.
- We are responsible for the revision classes, *not the exams*. If you have any exam queries, [contact MATSEC](#).

For more information about the Free Revision Classes, contact the team on **2598 1161/2/4** or email [youthguarantee@gov.mt](mailto:youthguarantee@gov.mt).
